

Poplar

BPIR Declaration

Version: v1

Designated building product: Class 1

Declaration

SKAPE LIMITED has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product/system

Name	Poplar
Line	
Identifier	POPLAR

Description

With its creamy-white appearance, subtle grain, and hints of pink tones, Poplar plywood offers both visual appeal and functionality.

Selected from high-quality poplar veneers, this lightweight plywood is ideal for weight-sensitive applications. It is perfect for wall and ceiling linings, joinery, furniture, shop fittings, and cabinetry. Poplar is available in a selection of thicknesses and sizes to suit various needs.
